# We often make suggestions using *Let's*.

Let's go for a walk.

Let's go to the cinema.

Let's stay here.

Let's watch TV.

We make suggestions when deciding what to do with our friends, or giving them advice on what they might do in a certain situation.

There are many different ways of making suggestions in English.

Let's go to the zoo.

Why don't we go to the zoo?

What about going to the zoo today?

How about going to the zoo?
