

Unscramble the words below.

Read and match.

Good evening, little stars!  
How I wonder what you are.

Good morning, good morning!  
Awake! The day has begun!  
Good morning, good morning!  
Awake! Isn't it fun?

Good afternoon, good afternoon!  
The whole rest of the day's ahead.  
Put a smile on your face  
Let's make some room  
For a good, good afternoon.
